SALA DE ESTAR**

O Sofá

O sofá é uma peça do mobiliário que serve para sentar e/ou deitar.

Na escolha do **sofá ideal** para o seu lar, é importante ter em conta o equilíbrio da decoração e a comodidade pretendida.

Desde o material, ao preço, aos tamanhos e até à própria estrutura, os sofás devem ser adequados e escolhidos **especialmente para si**. Não um sofá, **o sofá!**

Para isso, pode contar com a ajuda dos nossos vendedores, especializados nesse requisito.

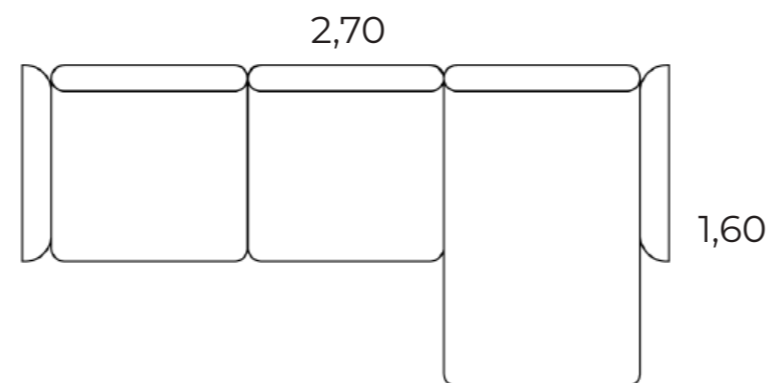

O **sofá ideal** é:

- Relaxante;
- Resistente;
- Fácil de limpar;
- Confortável;
- Elegante.
